

AXIZ

AXIZ offers a virus proof out-of-home area to stay in during the lockdown. A vertically-extended interior space provides both privacy and a better view. A disinfect-cabin has been placed in the rear of the vehicle, groceries and packages will be automatically sanitized after putting inside.

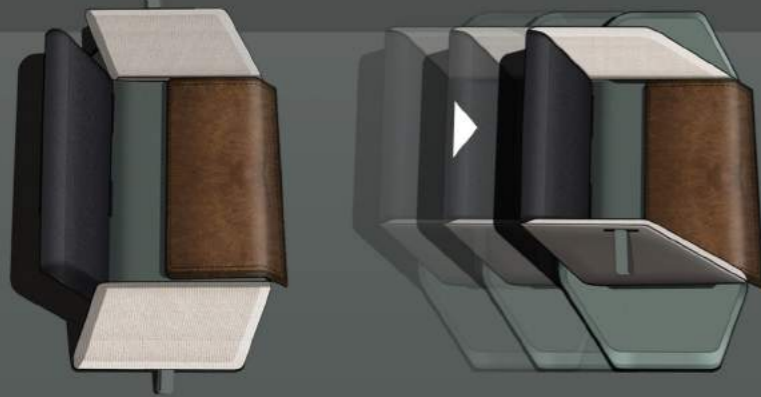

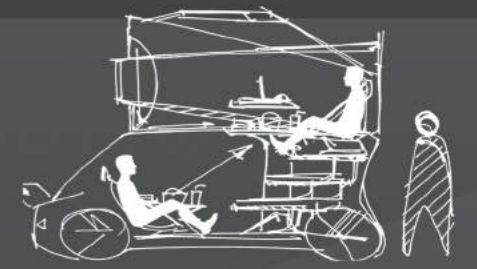

AXIZ

Little horrors suffered the most during the Pandemic.
How to offer them some more space to mess around during the lockdown?
AXIZ is a 'bouncy castle' for kids to release energy.

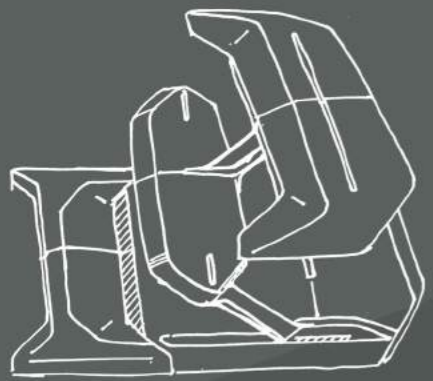

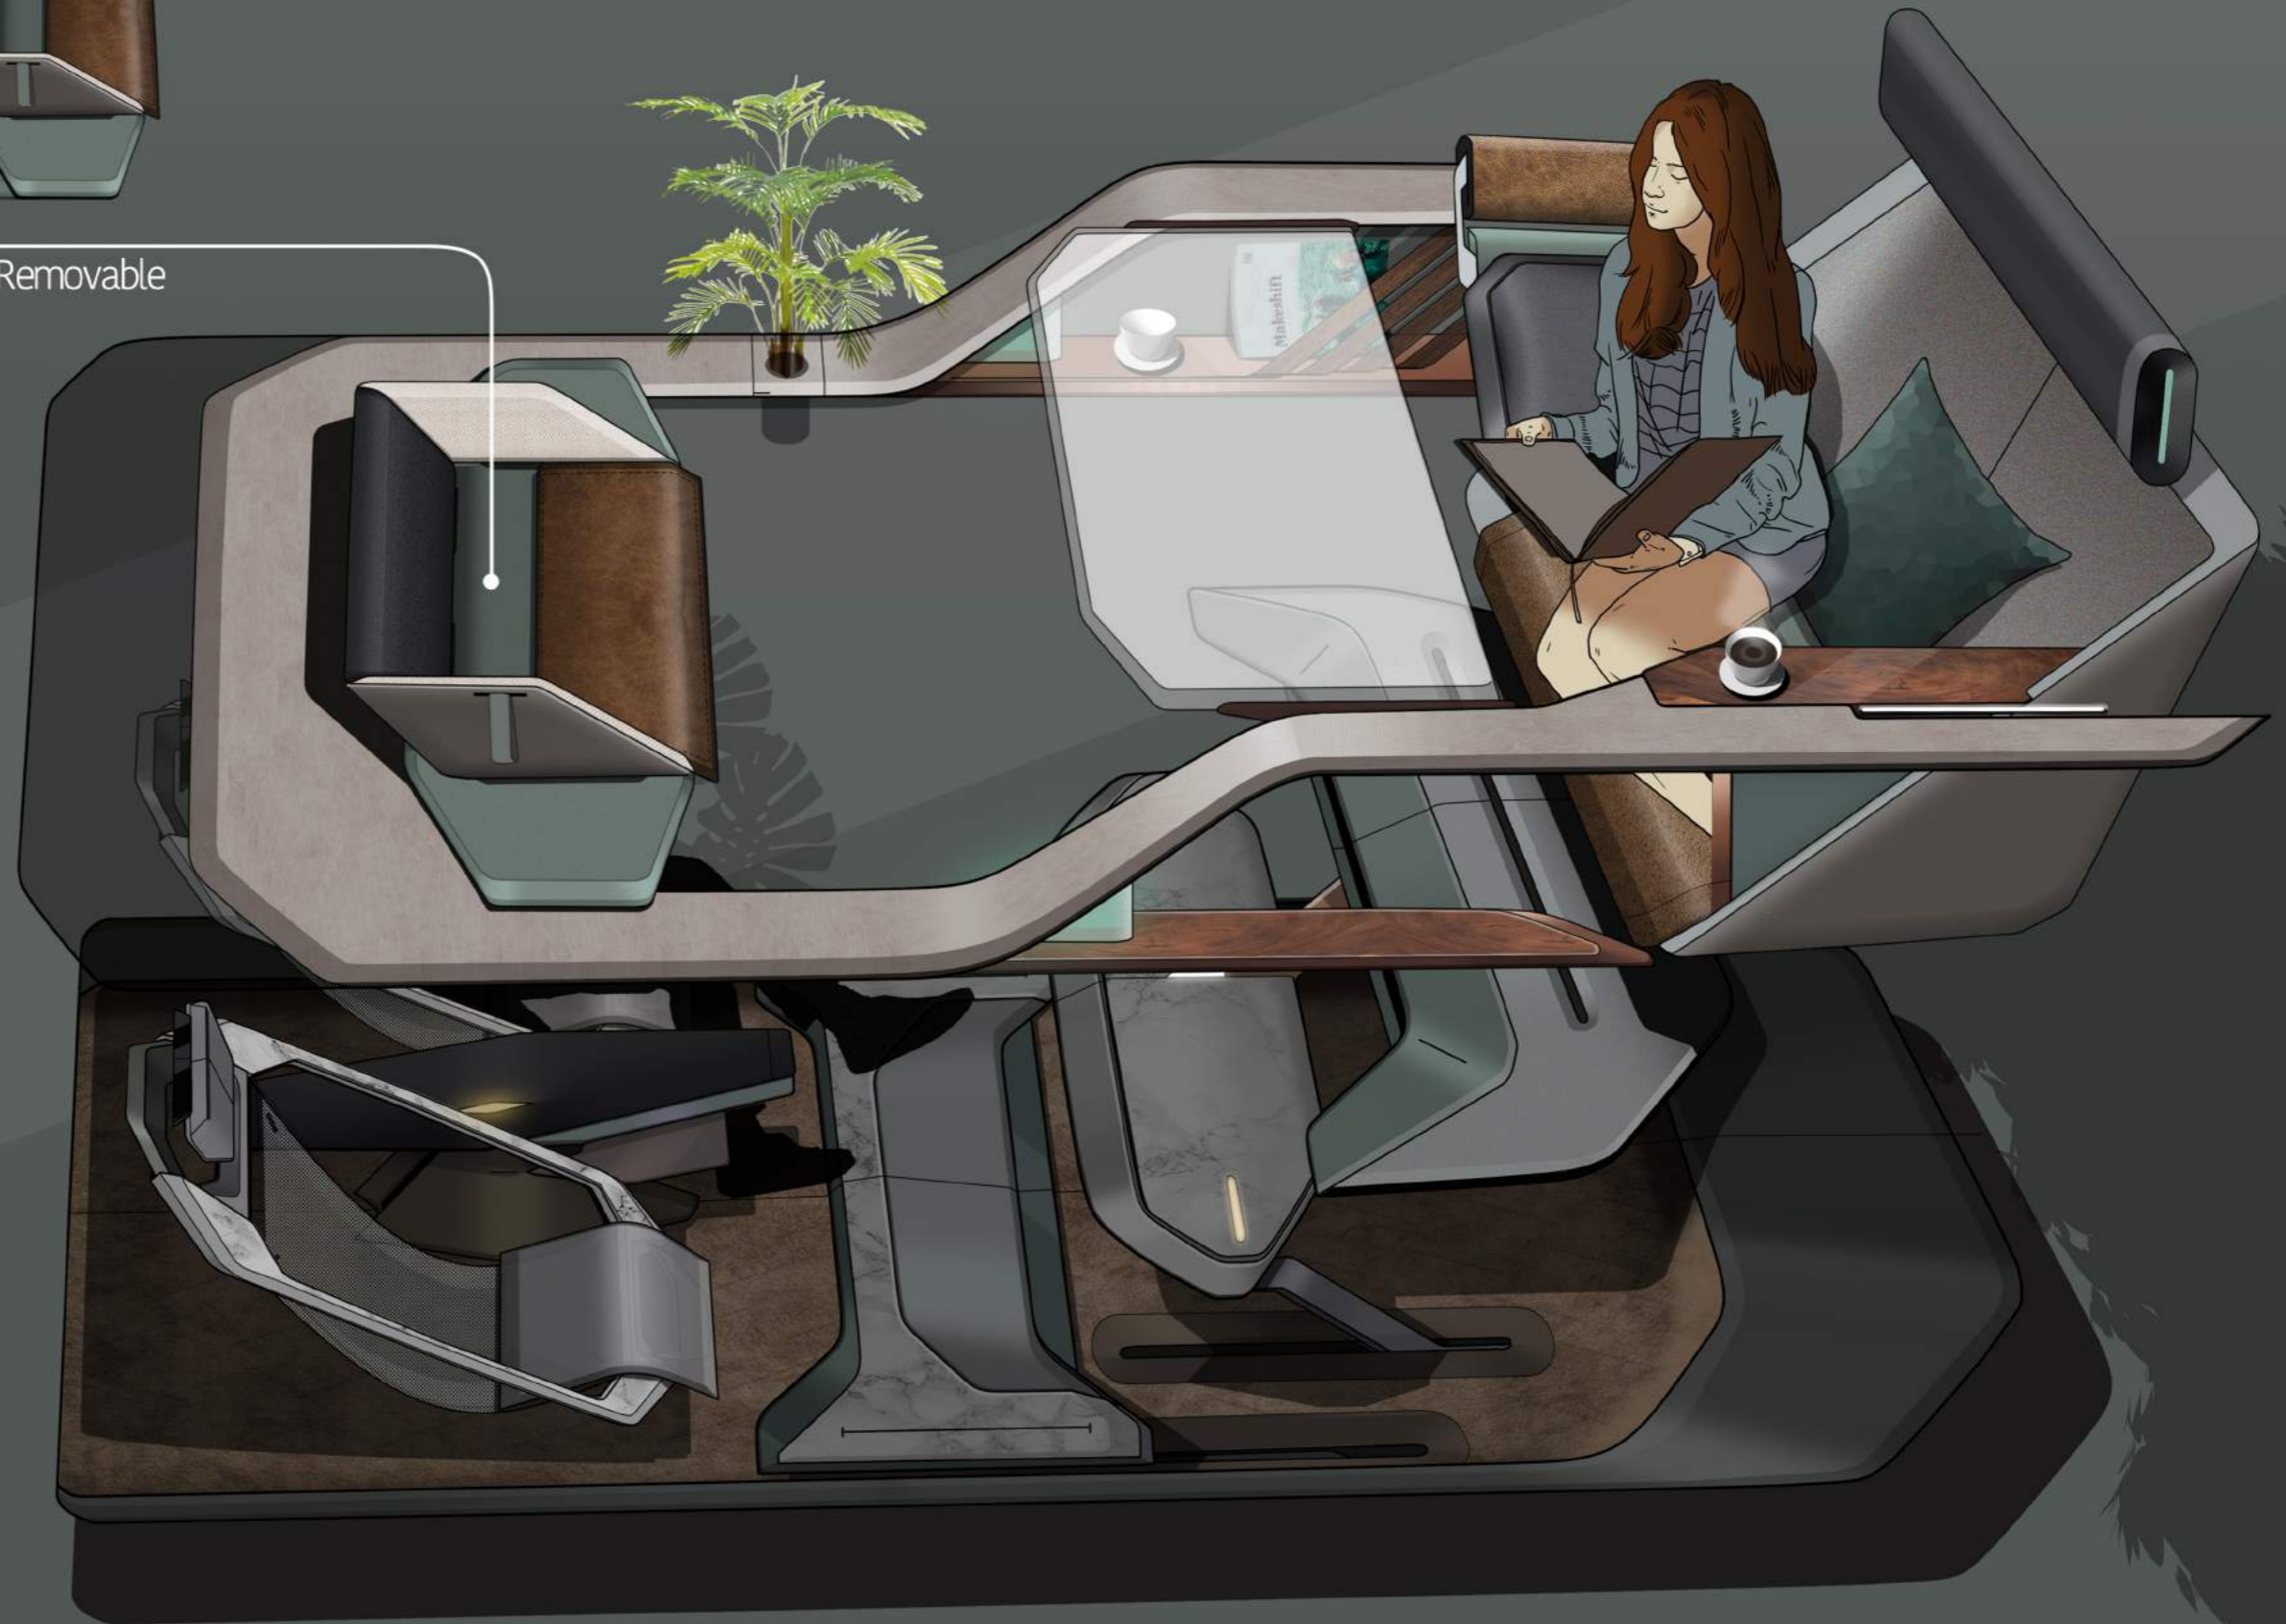

AXIZ

What if your family members are too noisy and you just can't focus on doing anything? AXIZ offers you a perfect, quiet and calm space to spend some time by yourself or with someone special.

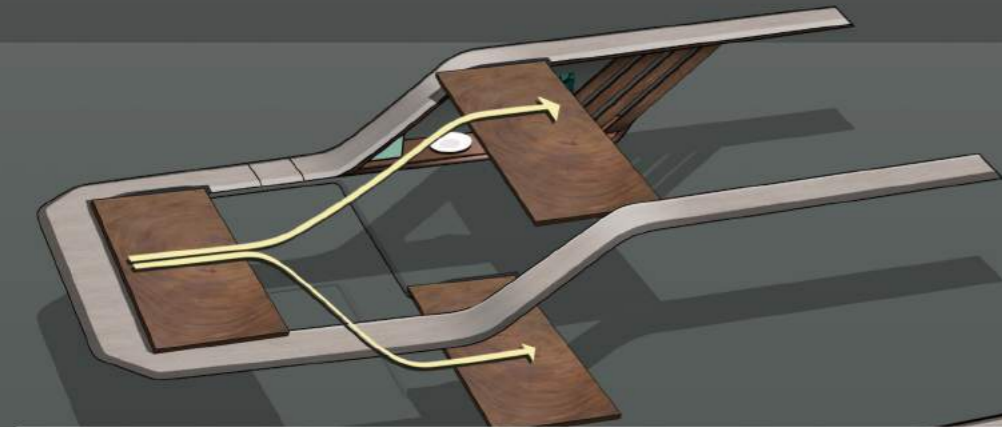

Secondary Platform - Flexible and Removable

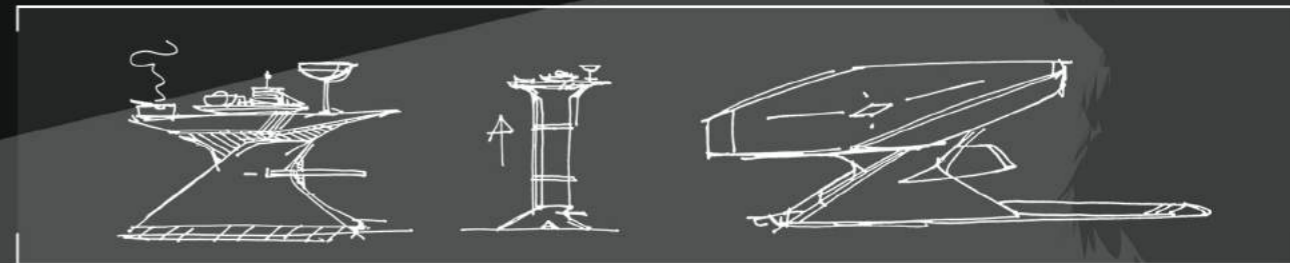

Interior Layout Sketch

AXIZ

How about enjoying a sunny Sunday afternoon with your sweet heart?
With a large circular skylight, AXIZ is well ventilated with openings on the top.
With a glass of wine, or a cup of coffee, this is the true little pleasure of life.
